Our Airglide 5 jacket offers the ultimate in multi-season riding adaptability. It's equipped with removable insulation, plus a rain jacket layer that can be worn both over and under the main outer shell. Airglide's THREE LAYER SYSTEM DESIGN allows you to customize function by simply adding or removing appropriate layers as needed.

- Outer shell constructed in 500 denier Cordura® fabric with ballistic airflow mesh panels.
- Over or Under rain jacket with removable insulation layer.
- Removable CE approved Motion Flex armor at elbows and shoulders.
- Removable CE approved Motion Flex articulated back protector.
- Cool mesh airflow lining.
- Custom fit detailing at collar, cuffs, elbows and waist.
- Comfort neoprene framed collar.
- 3M Scotchlite® reflective piping at front, sides and back.
- 8" connecting zipper for pants.
- Five storage pockets plus interior cell phone pocket.

LAYER ONE consists of a rugged outer shell constructed in authentic Cordura® fabric with ballistic nylon mesh panels for maximum airflow and superior abrasion resistance. Two zip chest pockets and two zip side entry pockets offer secure storage for personal items. For added safety, 3M Scotchlite® piping is located at the side arms, shoulders, collar and back yoke.

LAYER TWO offers of a sporty multi-purpose waterproof, breathable AquaRes™ laminated rain jacket that can be worn over or under the main outer shell, as weather conditions dictate. Forget having to stow away extra personal gear as this jacket pulls double duty as functional stand-alone sportswear.

LAYER THREE includes a removable full sleeve thermal layer with authentic Thermolite® insulation. This layer can be zipped directly into the main outer shell or the rain jacket shell, as needed, to ensure multi-season riding comfort through a wide range of temperatures and weather conditions.

## TWO STAGE OVER OR UNDER WATERPROOF RAIN JACKET

Sturdy wind and waterproof breathable rip stop nylon shell with removable Thermolite® insulation, 3M reflective detailing, mandarin style knit trim collar, two waterproof zipper pockets and interior cell phone pocket.

**RAIN JACKET** PEWTER / BLACK

**RAIN JACKET** NEON YELLOW / BLACK

NOTE - neon yellow / black rain jacket ships with neon yellow / black outer shell. Pewter / black rain jacket ships with all other outer shell colors.

## THERMOLITE INSULATION LAYER

This insulation layer can be zipped directly into the main outer shell or the rain jacket to ensure multi-season riding comfort.
