Our Alpha jacket combines urban military styling with top notch technical detailing. Equipped with a removable insulation layer, plus an over or under rain jacket, this style delivers the ultimate in multi-season riding comfort. Alpha's **THREE LAYER SYSTEM DESIGN** allows you to customize function by simply adding or removing appropriate layers, as needed.

- Outer shell constructed in 500 denier Cordura® fabric with ballistic airflow mesh panels.
- Over or Under rain jacket with removable insulation layer.
- Removable CE approved Motion Flex armor at elbows and shoulders.
- Removable CE approved Motion Flex articulated back protector.
- Cool mesh airflow lining.
- Custom fit detailing at collar, cuffs, elbows and waist.
- Comfort neoprene framed collar.
- 3M Scotchlite® reflective piping at front, sides and back.
- 8" connecting zipper for pants.
- Seven storage pockets, plus interior cell phone pocket.

LAYER ONE consists of a rugged outer shell constructed in authentic Cordura® fabric with ballistic nylon mesh panels for maximum airflow and superior abrasion resistance. Two chest and two lower flap pockets, plus handy side entry zipper pockets offer secure storage for personal items. For added safety in low light conditions, 3M Scotchlite® piping is located at the side arms, chest, back yoke and collar.

LAYER TWO offers a waterproof, breathable AquaRes™ laminated rain jacket cut in sturdy rip stop nylon. This jacket can be worn both over or under the main outer shell. Forget having to stow away extra personal gear, this jacket pulls double duty as great looking functional sportswear.

LAYER THREE includes a removable thermal layer with authentic Thermolite® insulation. It can be zipped into the main outer shell or the rain jacket shell, as needed, to ensure multi-season riding comfort through a wide range of temperatures and weather conditions.

TWO STAGE WATERPROOF RAIN JACKET

Sturdy wind and waterproof breathable rip stop nylon shell with removable insulation, mandarin style knit trim collar, side entry snap pockets and interior cell phone pocket.

THERMOLITE INSULATION LAYER

This insulation layer can be zipped directly into the main outer shell or the rain jacket to ensure multi-season riding comfort.
