Whether your next adventure takes you on road or off, our Dakar 2 Dual Sport jacket delivers the ultimate in multi-season, multi-weather riding comfort. It's fully equipped with removable insulation plus an over or under rain jacket. This unique **THREE LAYER SYSTEM DESIGN** allows you to customize function by simply adding or removing appropriate layers as needed.

- Outer Shell constructed in 500 denier Cordura® fabric with ballistic airflow mesh panels.
- Removable CE approved Motion Flex armor at elbows and shoulders.
- Removable CE approved Motion Flex articulated back protector.
- Cool mesh airflow lining.
- Custom fit detailing at collar, cuffs, elbows and waist.
- Comfort neoprene framed collar.
- 3M Scotchlite® reflective piping at front, sides and back.
- 8" connecting zipper for pants.
- Eight storage pockets plus zippered waterproof back pocket.
- Over or under rain jacket with removable insulation layer.
- Quality YKK Zippers.

**LAYER ONE** consists of a rugged outer shell cut in authentic Cordura® nylon with ballistic mesh panels for maximum airflow and superior abrasion resistance. Six external pockets, two interior pockets and an oversized waterproof back pocket offer multiple storage options. Additional features include a cushy neoprene framed collar, side waist adjuster straps and reflective detailing at the chest, back and side arms for increased visibility in low light situations.

**LAYER TWO** consists of a functional AquaRes™ laminated rain jacket that can be worn over or under the main outer shell, as weather conditions dictate. A stow away hood with a rubberized neck gator conceals neatly inside the collar and fits comfortably under a helmet. The neck gator provides full circumference waterproof protection as needed. Additional features include 3M Scotchlite® reflective piping at the front, sides and back, plus side entry pockets and an interior stash pocket for stowing personal items. Need to lighten your load, no worries as this jacket pulls double duty as great looking stand-alone sportswear.

**LAYER THREE** consists of a removable full sleeve thermal layer with authentic Thermolite® insulation and an interior storage pocket. This layer can be zipped into the main outer shell or the rain jacket shell, as needed. This handy zip out feature ensures multi-season riding comfort through a wide range of temperatures and weather conditions.

### **TWO STAGE - OVER OR UNDER RAIN JACKET WITH STOW AWAY HOOD AND 360 NECK GATOR**

Sturdy waterproof, breathable AquaRes™ laminated rip stop nylon shell, double storm flap front closure, adjustable cuffs, arms and waist, 3M reflective detailing at front and back. Removable Thermolite® insulation layer can be zipped into the main outer shell or rain jacket shell as needed. A stow away under helmet hood with rubberized neck gator provides full circumference waterproof protection.

### **ZIP OUT FULL SLEEVE THERMAL LAYER**

This handy thermal layer can be zipped directly into the main outer shell or the rain jacket shell to ensure multi-season riding comfort.

NOTE: Neon yellow/black rain jacket ships with neon yellow/black outer shell. Pewter/black rain jacket ships with all other colors.
