CORDURA FABRIC **CE** **3M Scotchlite** Reflective Material **AquaRes** **YKK**

Designed to coordinate with our Dakar 2 jackets, these pants pull double duty as they easily convert from full blown armored motorcycle pants to functional cargo shorts in seconds. Simply zip off the lower legs and you're ready to hike or take a swim, as these pants dry quickly when wet.

- Outer Shell constructed in 500 and 2000 denier Cordura® fabric with ballistic airflow mesh panels.
- Zip off lower legs transform pants into shorts.
- Lower side leg zippers allow detachment of leg bottoms without removing boots.
- 3M Scotchlite reflective piping at lower legs.
- Removable and adjustable height CE approved Motion Flex armor at knees.
- Custom fit EZ-Hem boot cut bottom.
- 3M Scotchlite® reflective piping from waist to hem.
- Relaxed tailored fit.
- 8 storage pockets.
- 8" connecting zipper for jackets.
- Cool mesh airflow lining.
- Removable EVA compression foam at hips.
- Quality YKK zippers.

Constructed in a combination of authentic Cordura fabric and ballistic airflow mesh, these pants offer maximum airflow with superior abrasion resistance. Motion Flex articulated knee protectors and EVA foam hip pads are offered as standard equipment. Two side cargo pockets with stash zipper pocket flaps, two back flap pockets and zippered side entry pockets ensure ample storage for personal items.

EASY BOOT ON REMOVAL OF LOWER PANT LEG

Side leg zips allow for removal of lower pant leg without removing boots.

FROM MOTORCYCLE PANTS TO CARGO SHORTS IN SECONDS
